SALARY ADVICE

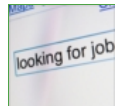

The 8 Most Common Salary Negotiation Tactics

Within the language of every culture exists a sub-language – a collection of words, phrases, acronyms, slang, and jargon unique to that area of life, which must be deciphered in order to truly gain an understanding. The language of ... Read more...

How Much Are Dads Worth in 2014?

Dads are officially in flux. And the ongoing changes and shifts in what's considered masculine is a great conversation to be having. Read more...

5 Job Hunting Tips When You Already Have a Job

The one huge caveat about job hunting while you have a job is just that...you already have a job. And if your boss or catty colleague catches wind that you're interviewing for another position, you could potentially put your current job at ... Read more...

Should You Move Before or After Getting a New Job?

When prepping to go to a new city, really do your homework to find out the true costs. Start with Salary.com's Cost-of-Living Wizard to compare salary ranges for multiple cities. Read more...

Want to Network Better? Put a Bowl of Candy on Your Desk

Do something that fosters networking and it can lead to better connections, a possible promotion, and maybe even bring a little happiness to the workplace each day. Read more...

How Much Are Moms Worth in 2014?

Maybe it's an increased commitment to battle the gender wage gap, the rise of female breadwinners, or women heeding the call to "Lean In." But whatever the reason, Salary.com's annual "Mom Salary" survey was more popular than ever and ... Read more...

INFOGRAPHIC: Is College Still Worth the Cost?

An infographic explaining whether or not people think college is still worth the cost. Read more...

Is College Still Worth the Cost?

More than 1,500 of you took our survey and told us your opinions regarding whether college is necessary for career success, if it is still worth the money, and other questions as to how student loans have impacted daily life. Read more...

11 Tips for Rejoining the Workforce After a Career Break

Before you start your new chapter, take a minute to read about a few tips for getting back in the flow without breaking stride. Read more...
